

# Building Community Downtown!

## When you stroll downtown Greenville what do you... See? Feel? Think?

Do you feel a sense of Community? Do you see a family working together for the greater good? Do you see the beautiful history we are trying to preserve? Do you see people enjoying themselves? Do you see families spending quality time together?

Is the historic shopping district downtown inviting? Are you excited to attend one of our events? Do you feel proud to be a part of the Darke County Community? Do you feel that you should give back to something that gives you joy?

We strive to instill greatness in everything we do to make visiting downtown a fulfilling experience for all! We are forever grateful for the continued support of the Darke County Community. Your generosity has laid the foundation of Main Street Greenville but our need is still great! We want to continue to pave the way by Building Community Downtown, ensuring that downtown continues to be a place that matters for generations to come!

Tax deductible donations are what keep us operational. This year we are hoping to raise \$65,000. A gift from you will continue to carry out our annual First Friday Events, The Hometown Horse Parade, Adopt A Box & Planting Day and some amazing new events. Thousands of visitors each year enjoy these events and create countless memories here! In addition, your contribution will help us to provide service to the businesses downtown to help them become more successful all while enhance the economy of Darke County.

We hope you will walk along side us down this journey by becoming a community or corporate partner! A partner can be a person, family, local small business, organization, or a corporation; Giving generously of their time, resources, and/or funds. We look forward to partnering with you in 2024!
